

DREAMS WITH WINGS

Annual Report

July 1, 2018—June 30, 2019

As our nineteenth year anniversary has come and gone, we reflect with gratitude upon all that has happened on this incredible journey. We remain committed to championing for the rights of individuals with intellectual and developmental disabilities and autism and continue to strive to create fully inclusive lives for them

in our community. We are incredibly proud of all of the successes those we support have achieved and the growth we have achieved as an agency. Today, Dreams With Wings supports over 330 individuals in a variety of ways. Thank you for your ongoing support of Dreams With Wings! We appreciate your

commitment and for always BEING THERE for us! Together we are providing residential, employment, therapies, day programming, personal and social experiences and the opportunity for individuals to reach their maximum potential and independence.
